NEW EVENT TO DEBUT DURING HOMECOMING

Ebensburg- Attention all car, motorcycle and airplane lovers! The Regional Aviation Conservation & Recreation Association, Inc. (RACRA) is planning a brand new event to be highlighted during Ebensburg's Homecoming on Saturday, July 31st.

"We have planned a Cruise-In and Fly-In called Auto-Pilot at the Ebensburg Airport," said Jim Estep, President of RACRA. "It's a great fit for the Homecoming festivities."

A parade of cars, trucks and motorcycles will form at the airport at 11:30 a.m. on July 31st and proceed through downtown Ebensburg at noon. All are encouraged to line the streets to see the parade up close and are invited to come to the airport to join in the festivities!

"Homecoming is an event that everyone looks forward to each year," said Christine Strugala, Community Development Director. "The Cruise-In/Fly-In will definitely be an exciting addition to the day's events."

Airplane rides will be offered by Mountaintop Aviation at the airport and there will be food, prizes, etc. Admission is Free.

For a complete schedule of events during Homecoming, please visit www.ebensburgmainstreet.com or call the Ebensburg Borough Office at (814) 472-8780.
